THE YOUANDIRIDE 'PRO-RIDE EXPERIENCE'

Are you ready to experience what its like to be a pro? Does the Tour de France make your blood pump and your hair stand up on end? Well the Pro Ride Experience is for you!

We pick you up in the YOUANDIRIDE team Mercedes Benz and whiz you away to our amazing mobile training facility You meet the team managers and we kit you out with Jersey, gloves, helmet and even race radio. Our Pro-Tour team mechanics and staff will prepare your bike and ready you for your Individual Time Trial. You warm up on the team wind trainers and then ride up onto the starting ramp and the race Starter counts you down 5.. 4.. 3.. 2.. 1.. GO!

The wind in your face and your team manager in your ear telling you how you're going as the team car follows you recording digital footage of you powering your way to the finish line. Our staff meet you as you finish with towel and drink

waiting, and then guides you through your cool down on the team Wind Trainers.

The teams for the afternoon are announced and your team manager sets out team tactics for the race. With guidance over the radio from your manager, the race is a tactical fast pace 30 Or 60km event. There's the king of the mountains and sprint competitions to be won as well as the race victory and team victory.

You finish and again our staff are there waiting to run you through your cool down and the presentation takes place before we jump back in the YOUANDIRIDE Team Mercedes Benz's and drop you back in town.

Do you want to be treated like pro for a day...? Then contact YOUANDI RIDE and book your spot today!
