THE YOUANDIRIDE 'TEAM EXPERIENCE'

Here's a world-class team building session supported by professional cyclists and pro team mechanics that is available now to inspire your team whether it be in your business or a sporting group.

STARTING IN THE BOARDROOM: A YOUANDI-RIDE Ambassador will take your team through their amazing journey. With plenty of interaction, their story will make every member of your team stop and think about the importance of teamwork, aspiration, working through adversity and goal setting.

ON THE BIKES: The bike session will tie in all that was covered in the boardroom. It will excite and challenge all and get your group working as a team. The session is designed so that even the most novice of riders can be involved and play an integral part. We can supply everything - bikes, helmets, gloves and even jerseys.

So if it's a invigorating, rewarding and team building session that you are after contact YOUANDI-RIDE today. Bike and equipment hire is available.

AMBASSADORS INCLUDE:

Baden Cooke	Winner Tour De France Green Jersey
Simon Gerrans	Winner Stage 15 Tour De France 2008
Matt Lloyd	2008 Australian National Road Champion
